“Real Men Giving Real Time”

History of the 100 Black Men of America, Inc.

The 100 Black Men of Greater Fort Lauderdale (100BMOGFL) is an affiliate chapter of 100 Black Men of America, Inc. (100BMOA). The overall concept of the 100BMOA began in New York in 1963 when a group of concerned African American men began to meet to explore ways of improving conditions in their community. They eventually adopted the name, “100 Black Men, Inc.” as a sign of solidarity. Their wish was to ensure the future of their communities by aiming an intense number of resources toward youth development. Today the organization has grown to over 106 chapters with more than 10,000 members who continue to strive to improve the quality of life in our communities and enhance the educational and economic opportunities for African/Caribbean Americans.
